The purpose of this meeting is to ratify the Board-approved 2022 budget, review common area maintenance that occurred in 2021, discuss possible parking policy enforcement options for 2022, review general association policies, discuss the upcoming election for 2 seats on your Board of Directors, and to transact such business as may be brought before the meeting.

We do request that all owners return the Proxy Form included in this communication in case there are technical difficulties or if the Owner is not on the line when a voting issue comes before the Association. If you attend via the GoToMeeting application and can participate in the vote for any issue, the proxy will be deemed revoked.
